Grab a drink, head over to the theatre rooms, relax and enjoy an educational video or erotic film from the Sinclair Institute

ART OF ADVANCED ORAL SEX

Oral sex is not just a prelude to intercourse, but an act of deep intimacy that adds new sensations to your lovemaking. Share new heights of sexual passion and learn how to give and receive, bringing your partner to ecstatic climax every time. Two DVD set instructs in seductive techniques for giving both fellatio & cunnilingus. From personal grooming to a variety of positions and styles, attractive real life couples explicitly explore innovative ways to help you become the best oral lover | 130 minutes

G-SPOT & FEMALE EJACULATION

Female ejaculation is every woman's birthright, and the G-spot produces an exquisite orgasm that is different from the clitoral orgasm. Female ejaculation expert and author Deborah Sundahl tells all there is to know about female ejaculation and the G-spot in this explicit guide that is sure to get that feminine fountain flowing again! Learn what female ejaculate is, how to locate and stimulate the G-spot, how to create female ejaculate, what sex toys are useful and how to use them, and discover the best sexual positions to create female ejaculate. Six real life couples discuss their experience with female ejaculation, and explicitly demonstrate just how easy it is to learn. This is the ultimate and most practical guide on this fascinating topic. | 70 minutes

ADVANCED TOYS FOR GREAT SEX

With the ever advancing legitimization of the sex industry, never before have so many options for pleasure been available for both men and women. Watch attractive real life couples explicitly discover the world of vibrators, dildos, male enhancements, lubes and a lot more. Learn how to incorporate new experiences for you and your partner into your lovemaking. Explore new gateways to sexual ecstasy through the ins, outs, and in-betweens of today's hottest products. | 120 minutes
