Don't Kill My Vibe: Sex Toys, The Bedroom & You!

Presented by: Happ E. SexTalk

Let's face it, sometimes bringing up your desires to add toys in the bedroom with sexual partners can be a little awkward. So, let's make it less awkward by learning about the HUGE variety of sex toys and how to start talking about these additions to your sex life!!

The Pleasure Principle: Finding What Works & Showin' It Off!

Presented by: Happ E. SexTalk

It's a little hard explaining to sexual partner(s) what turns you on without actually exploring your body to find what's pleasurable! Besides, we all gotta embrace and participate in #SelfLovin every once in a while right? So, come talk about masturbation, self-exploration and sexy ways to show off your discoveries!

G-Spots, A-Spots, & Cul de Sacs...Oh My!

Presented by: Nikki Ransom-Alfred

Did you know that the woman has other, better "hot spots" in her vagina besides her G-spot? Discover the woman's mystery "hot spots" like the G-Spot, A-Spot, Cul de Sac, and more that produce mind-blowing, toe-curling orgasms and enhanced sexual experiences plus the sex positions to help you reach them!

Exploring Your Sexual Fetishes

Presented by: Nikki Ransom-Alfred

Do you like it kinky? Kinky is good! As long as you are exploring your sexual fetishes in a safe and healthy manner. From foot fetishes to bondage to pseudo-necrophilia, Nikki will discuss the proper & safe ways for you and your partner to explore and enjoy your sexual fetishes.

Adding 50 Shades to Your Sex

Presented by: Adult Mart

BDSM is all around us right now, and often our first kinky encounter begins with a simple slap on the bottom or a pair of handcuffs. Join us as we teach you how to incorporate a few kinky elements for some hot and heavy foreplay or a wild roller-coaster ride for the main event.

Amsterdam's Red Light District

Presented by: Jayne Rylon

New York Times Bestselling Author Jayne Rylon discusses Amsterdam's Red Light District, sharing her research for her erotic romance novels. Ask her about her stay in a gay BDSM hotel or the live sex shows she saw. Everyone attending will receive a free copy of her ebook *Through My Window!*

Basic Violet Wand

Presented by: Anne Bryne

Overview of the history, safety and health issues. Introduction of techniques and comparison between older violet wand technologies and the more modern ones. Opportunity for participants to experience the sensations of the violet wand, including direct/indirect contact. This is a hands-on as well a discussion based class with a handout.

50 Shades Lapdance

Presented by: Infinity Aerial, Val

We'll teach you and your honey how to give each other an unforgettable lap dance while exploring a bit of light bondage. We'll go over how to incorporate a tie as a blindfold and restraint to keep your lover guessing and right where you want them.

Introduction to Burlesque

Presented by: Cherie Blondell

Learn about the history of burlesque in the United States, the tricks of the trade, how to "bump-and-grind" and see a live burlesque performance!

Learning About Lubricants

Presented by: Lion's Den

What's the difference between water-based and silicone-based? What does it mean when it says it tingles, warms up, or tastes like a tropical paradise? Learn what to go for, and watch out for, when choosing your slippery helper!

For complete descriptions and the current schedule, please check schedules at the main entrance or at each feature location.
